

CREATING CONFIDENT CAREGIVERS®

2017 CLASS SCHEDULES

Creating Confident Caregivers® is a six-week program for family caregivers of persons with dementia who are living at home. It is designed to provide knowledge, skills, and information to improve caregiving for both the caregiver and the person with dementia. Participants must pre-register for this free program, as class size is limited.

The following Area Agencies on Aging meet the AASA service standard for providing this evidence-based program. They monitor providers and participate in on-going training to ensure participants receive a quality program. Please contact the Area Agency on Aging staff listed to register or inquire about future dates or other locations.
